

Parent Volunteer Agreement

Silicon Valley Academy strongly encourages parents to have a high level of involvement in their child(ren)'s education. Volunteer hours are critical to the success of our program at SVA, and it benefits the children immensely. Thus, parents are required to either volunteer a total of 15 hours per semester.

Parents need to provide two checks in the amount of \$200 each post-dated for January 15, 2019 and June 14, 2019 at the time of enrollment. If the 15 volunteer hours from the first semester are not fulfilled by January 15, 2019, the first volunteer check of \$200 will be cashed. In addition, if the 15 volunteer hours from the second semester are not fulfilled by June 14, 2019, the second check of \$200 will be cashed.

We look forward to your contribution to SVA for the benefit of the children.
